College Address:	Permanent Address:
3100 Cleburne St,	10618 Pine Landing Dr. Unit A
Houston TX 77088	Houston TX 77088

OBJECTIVE

Dedicated Computer Science student focused on applying advanced technical expertise to a position in network engineering and security.

EDUCATION

Texas Southern University, Houston, TX
   B.A. Computer Science, May 2019
   GPA – 3.65

TECHNICAL SKILLS

Programming Languages

- Python
- C++
- Java
- HTML5/CSS3
- LabVIEW
- JavaScript

Production Software

- MS Office Suite
- Windows 7/8/10
- Microsoft Visual Studio 2015
- VMWare V10/V12
- Kali Linux V1/V2.x.x
- Wireshark
- Metasploit

RELEVANT EXPERIENCE

McKinney & Co.
September 2016 – December 2016
IT Specialist (Intern)
- Troubleshot and maintained all networking devices and infrastructure across the enterprise including switches, routers and firewalls.
- Completed remote repairs involving software solutions and hardware repairs.
- Redefined security requirements for computer systems, including mainframe, workstations and personal computers.
- Constructed multiple scripts using Python to improve performance, usability, and security of enterprise systems/devices.

PROFESSIONAL EXPERIENCE

Texas Southern University – Department of Computer Science
August 2016 – Present
Undergraduate Research Assistant
- Designed and implemented LabVIEW programs in order for the sensor nodes to be able to charge through
- electromagnetic radiation.
- Mentored junior engineers and new hires to better improve the competency and efficiency of all staff.
- Researched and recommended network and data communications hardware and software for NI Starter Kit 2.0
  Develop and write research reports/power-points.

HONORS & ACTIVITIES

- National Society of Black Engineers (NSBE), 2016
- CISSA (Cyber Internet Security Student Association), Co-Founder and Secretary
- Infragard (Houston Local Chapter), 2016
- Awarded University Scholarship
